

# ENCOURAGING PROGRESS FOR EFFECTIVE MARINE PROTECTED AREAS

## Creating High Seas MPAs

By

**Mr. Florian BOTTO,**  
*Second Secretary,  
Permanent Mission of Monaco to the United Nations*

Woodrow Wilson Center - 27 June 2019

# Premises of Monaco's position

---

- Need of a legal framework
- Need of a holistic and cross-sectoral approach
- Enhancement of the implementation of some UNCLOS' provisions

# Key points of the negotiation requiring further discussions

- Moving away from the dichotomy between the “*global*” and the “*regional*” models
- “*not-undermining*”

# Overview of Monaco's position

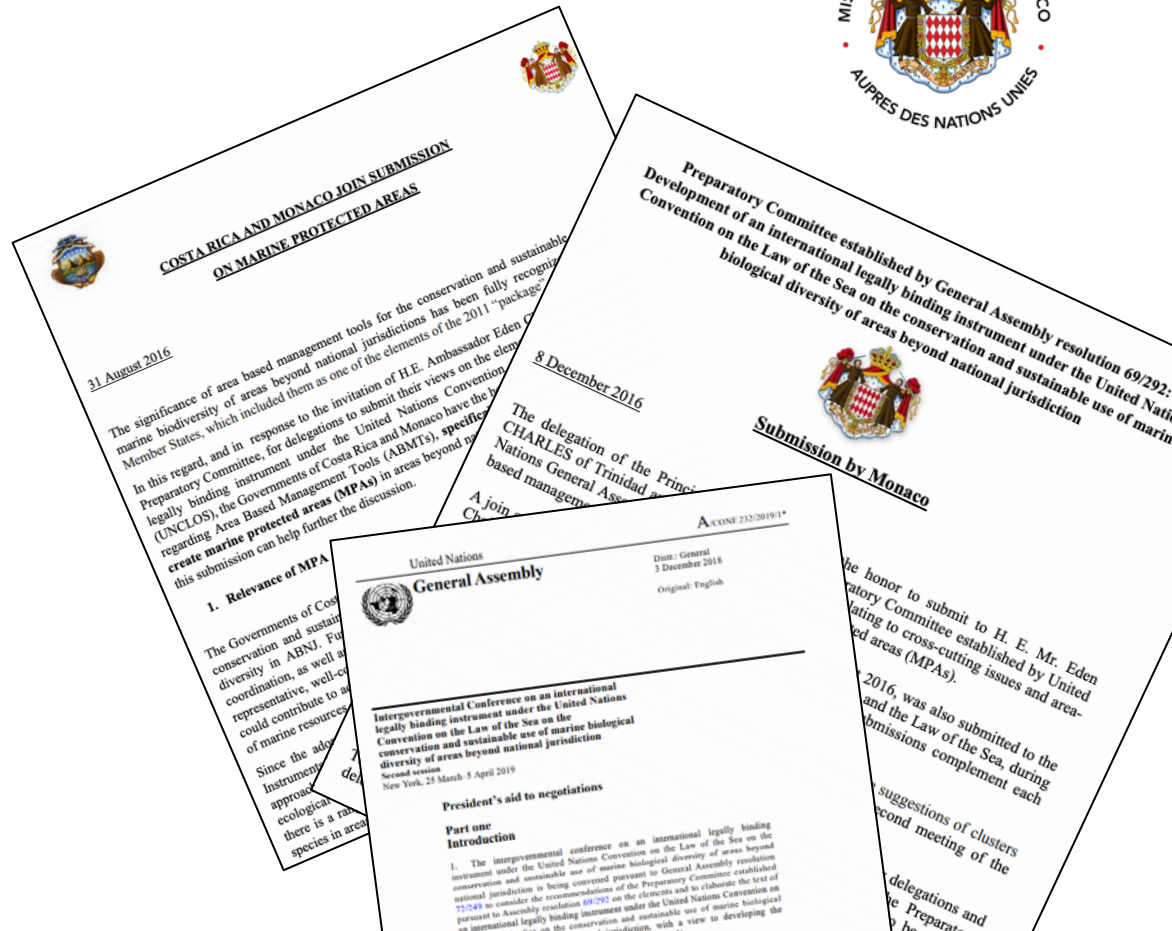

---

- An overarching framework
- A Conference of the Parties to take decisions to establish new MPAs
- Decisions based on the best available science
- Establishment of a network of MPAs

# Possible process

- Proposal
- Consultation
- Decision
- Implementation
- Monitoring and review
